

RAJAGOPURAM PLEDGE FORM

"Ghopura Paatha Yugha"

A temple should be viewed as Purusha Kaaraha or Purusha Roobham - that is, the Supreme Being's human form. This is the philosophy underlying temple construction. Therefore, the importance of Rajagopuram to the completion of a temple is something that must not be ignored nor treated lightly. The Rajagopuram is not only an important feature of a temple but also represents the feet of the Supreme Being. While our temple has gone through different phases of change and has been built beautifully according to agama shastra, the temple is not complete without the construction of the Rajagopuram. The completion of our temple with the construction of the Rajagopuram would bring joy, peace and glory to all of our lives and family well-being. It not only paves the pathway for achieving moksha but also, above all, provides an opportunity to attain the utmost blessings of the Lord. It is in this context that The Management Committee would like to humbly request all devotees to extend their sincere financial support and contribution towards the construction of the Rajagopuram. Your donations would be a great contribution to making the temple a wholesome one.

The opportunity to sponsor towards the construction of the Rajagopuram of the Perth Hindu temple, located at Lot 41 Warton Road, Canning Vale, Western Australia 6155 is now available. Those who pay \$1,001 or above will have the privilege to put their name in the engraved plaque at the temple.
